

Fish Fry At Riverview Park

Fort Madison Health Center Veterans received a warm welcome at the fish fry at Riverview Park on May 28. They were served a choice of Walleye and Catfish, hot dogs or hamburgers, baked beans and potato

salad or cole slaw, and drinks. Mayford Robu and Frank Martinez each won a

hat and gift certificate to Hardee's. Everyone enjoyed the outdoor event.

Pictured in front of the memorial are Frank Martinez, Chuck Jones, Mayford Robu, Ron Smith, Stanley Menke, Howard Ross and Carroll Sprenger.

Falling In Love With Swing

Ken and Trudy Lee Kennedy of Kansas entertained with dance and trombone music on May 26. The theme was "Falling In Love With Swing Music". The staff, residents and family members all got involved.

What a treat! Everyone enjoyed this new entertainment and we hope to

have Ken and Trudy Lee back again soon.

Fund Raiser Begins

The Magic Makers are raising funds to end Alzheimer's Disease. We sold community basket tickets and raised \$409, held a plant sale which raised \$64, and received over \$500 in contributions.

We will be sponsoring several more events to raise funds to honor our pledge of \$2,000 this year. If you

would like to make a contribution to the Magic Maker's fund raising project, please make contributions to the Alzheimer's Association and drop them off with Judy Markey or Kathy Casey at Fort Madison Health Center. Congratulations to Lisa O'Hara who won the Community Basket.

Pictured are Darlene and Army Becerra and the car that was included with the Community Basket.

Annual Easter Egg Hunt

Fort Madison Health Center staff would not allow the weather to interfere with our annual Easter Egg Hunt. The magic show was held inside

along with the egg hunt being held in the hallway. Steve Parker of the Fun Factory from Burlington, Iowa, performed his magic show, to the delight and awe of all.

The Easter Bunny was present to supervise the event.

Then the hunt was on! Eggs filled with candy and prizes were tossed down Hall 4 for each age group to start the hunt. Some baskets were filled to overflowing while others were happy with finding only one egg.

Shown in the photos are Steve Parker with his magic show, kids waiting for the start and Carter Huett with a high five for the Easter Bunny.

Miniature Horses Visit

The residents always enjoy the miniature horses when they come in-house to visit. They are well behaved and enjoy the residents as much as the residents enjoy getting a close up encounter with them.

Thank you to **Dawn and Dale McSorley** for taking the time to bring the horses for the residents to enjoy.

Balloon Launch

25 balloons were launched with the FMHC address inside. The residents were in hopes that someone will find one and reply. It will be interesting to see how far they go and if anyone replies.

Mother's Day Banquet

The Mother's Day banquet was held in May. Family, residents and staff enjoyed a meal together. The tables were decorated with

pretty pastel place mats, cups and flowers. Rose and the Dietary Department had extra

help to serve the meal. It was an enjoyable evening. Photos are: Patty Ross and her great niece, Ava. Cathy Burk,

Mike Abbey, Donna Knox & Grace Drummond helping in the

kitchen. Shirley West serving drinks. Nancy Munyon, Jon Anderson, and his mother, Harriet Anderson.

Annual Easter Egg Hunt cont. from page 3

Many helpers are needed for the Annual Easter Egg Hunt to be a success. To picture all of these wonderful people we would have to devote the entire newsletter to them with no room left for our other activities. Here are

just a couple of our helpers; Judy Markey and her granddaughter Kaylee. But our thanks go out to all who helped make it a success.

Pictured here is Hayley, great granddaughter of Helen Collier. Even though her basket has only one egg, we hope she had a good time at the Magic Show and all the festivities that went along with the Easter egg hunt.

Lily's basket is full and it looks like she could possibly be wondering "If I find any more eggs, I will definitely need a bigger basket". Lily is the granddaughter of Beth Todd, employee of FMHC.
